Description: The bestselling guide to curing insomnia without drugs by a pioneer of the field, now updated with the latest research (The Wall Street Journal)For the past ten years, sleep-deprived Americans have found natural, drug-free relief from insomnia with the help of Dr. Gregg D. Jacobss Say Good Night to Insomnia.Jacobss program, developed and tested...

Review: I have had mild insomnia for years -- waking up around 4 am on many mornings. My insomnia got much worse a few months ago and I found myself getting only 2-4 hours sleep each night. Prescription sleeping pills gave a night or two of some relief, but not more. While waiting for an appointment with a CBT therapist, I bought this book to get a head start...
